

## Freedom of Information Act 2000 (FOIA) Request 079/15 - Crime

During the period 1st January 2014 to 31st December 2014 there have been 252 crimes reported, with a location premise type of 'care home'.

There have been 72 arrests associated with these crimes (there can be more than one arrest per crime).

In the Northumbria Police force system, the term 'Care Home' is not a flag, it is a premise type for which there are two fields. There are other premise types that could fit the description of care home, such as 'nursing home', 'home old peoples' etc. Only those stating 'care home' in either of the two location fields are detailed below.
